

*The
Ottumwa
Symphony
Orchestra*

November 29, 2024

Dear High School Music Director,

Greetings from the Ottumwa Symphony Orchestra. Here's hoping your music season is off to a great start! It is our sincere hope that you will take a moment to look over this information, store it in an accessible place in your mind, on your desk or pinned to a bulletin board and recall it as you get to know the talents and abilities of your music students.

Perhaps you have students who were accepted into All State band, choir or orchestra. We believe these musicians would enjoy an opportunity to also play or sing with the Symphony! Or maybe you will recall this note as you choose contest solos next spring and select literature that would lend itself to this opportunity.

The Ottumwa Symphony has a sincere desire to nurture young talent, and you are our best source of information when it comes to discovering and enjoying that talent. We also believe that your encouragement can make a big difference as they contemplate this adventure. Thank you for the work you do, for the hours you spend, and for your care and concern for your students. We look forward to hearing from you and meeting some of these gifted individuals in person!
